ABOUT US

Castelli Milano 1938 è il risultato dell'incontro tra l'ingegno italiano e la maestria artigianale. Siamo nati come azienda familiare, e tale è rimasto lo spirito fino ad oggi: nel corso di decenni di attività siamo diventati punto di riferimento per la produzione di articoli innovativi e di alto valore, realizzati con cura e design. Ed è così che la scrittura a mano diviene un modo per stimolare riflessioni e conoscersi a fondo, fino a diventare espressione della propria personalità.

Unendo nel nostro nome l'anno di nascita del nostro fondatore e la città culla dello stile italiano, celebriamo e valorizziamo ciò che ci rende unici. Ti diamo il benvenuto nella famiglia Castelli Milano 1938: scriviamo insieme pagine nuove, il futuro dipende solo da quello che vorremo essere.

Castelli Milano 1938 embodies a legacy of Italian expertise and fine craftsmanship. Throughout our decade-long history of family business, we have become a reference point for the production of carefully made and designed, bespoke and innovative items, that allow you to experience handwriting as a way to encourage reflection and the expression of your own personality, reaching a deeper level of understanding.

Honoring the birth year of our founder and the birthplace of Italian style, we celebrate and value uniqueness. Welcome to the Castelli Milano 1938 family: let's write new pages together, the future depends only on what we want to be.
